## Knowing the Best People

Have you ever experienced the frustration of trying to find the best plumber to fix a leaking faucet, the right renovator for a kitchen upgrade, or the ideal moving company to handle your items with care?

It's surprising how difficult such a search can be. Even with Google and other search engine options, finding a reliable service provider can be challenging.

Well, we may be able to help.

You see, when it comes to the local "home" industry, we're fairly well-connected. In fact, we know many of the best companies and professionals. If you're struggling to find a good contractor, cleaning service, plumber, electrician, moving company, etc., give us a call. We can probably recommend someone. After all, you're a valued client, and we want to do whatever we can to help you enjoy your home.

It's just one of the many ways we help valued clients like you – during and after a transaction. Contact us anytime.

All the best!

## When you get asked

Occasionally, friends or neighbours might ask you to recommend a real estate agent. When that happens, please feel free to give them our names. We really appreciate your referrals.
