Rhonda Abony and Perry Steinberg

Dear Rhonda and Perry,

Once again, in February, Harvey Kalles Real Estate Ltd. is the number one independent office in the dollar value and # of homes of M.L.S. listings sold. You have again distinguished yourself with exceptional performance at Harvey Kalles Real Estate.

Of 36,000 agents you were in the top 1.47 percent of sales.

The average days it took for a home to sell (DOM) was 26.8. You sold your homes in an average of 13 days: 51% quicker! Your average sale was 37% higher than the TREB \$543,671 average price.

Congratulations, and all the best.
